

AGS Pebble Portable Charger

Audax[®]
BODY WORN VIDEO

The Pebble is a powerful 3700mAh portable battery charger which is over 2 times the regular battery of the Apple iPhone or Smartphone – easily enough for the Audax Chest Camera or Live Streaming Device.

This mini credit card sized product comes with a neoprene carry case and a small selection of charging tips.

An auto shutoff mode protects against short circuits, over currents or over charging.

Included in the box with each device is:

- 4 x charging tips
- USB Charging cable
- Neoprene carry pouch with pocket for tips
- Instruction Manual
