

Quality Statement

Audax is committed to implementing appropriate quality management systems and processes to enable the delivery of the highest practicable quality products and services.

We will therefore:

- clearly understand the current and potential future requirements and expectations of our customers
- work closely with our customers, suppliers and partners to achieve business and quality objectives
- deliver products and services of the highest practicable quality, reliability and consistency that meet our customers' requirements
- implement quality management in a systematic and planned way through the application of management systems that support the delivery of the business plan
- educate and train our people to support the delivery of high quality work
- establish and measure performance and customer satisfaction against appropriate quality objectives and/or targets
- measure at an appropriate level service performance and customer satisfaction
- continually review and improve our processes and levels of service.

All members of staff share the responsibility for the highest quality standards and service delivery our products and services and for continual improvement.
